

POWER OUR TEAM

Have you made that special connection with one or more of our huskies?

Please check the paw of your favorite sled dog, so he/she can send you a personalized thank you.

Sponsor a sled dog—make a difference.

It takes the whole team working together to pull the sled, and it takes your support to help us develop and continue this powerful, mission-driven program.

Your gift will help us continue to share stories of perseverance and our core values with thousands of guests each year.
